COMMUNITY NEWS

The Proper Care and Feeding of Your Garbage Disposal

Keep your garbage disposal running smoothly with proper use!

✓ Safe to put in: Citrus rinds, eggshells, small food scraps, ice cubes, salt.

✗ Avoid: Pasta, rice, grease, potato peels, bones, seafood shells, trash, fibrous veggies.

Pro Tips:

- ◆ Run cold water while using.
- ◆ Clean with ice, salt, vinegar, and baking soda.
- ◆ Unclog safely—unplug first, use tongs, not hands.
- ◆ Freshen naturally—grind lemon wedges with warm water.

Mind what goes down—clean pipes mean fewer backups and happier residents. Let's keep our system flowing smoothly together!

UPCOMING COMMUNITY EVENT
