COMMUNITY NEWS

Annual Housing Survey Starts March 3rd!

The Department of Defense's annual housing survey launches on March 3, 2025. This is your chance to share feedback on what you love about housing and what could be improved. Your input helps drive real change—previous surveys have led to millions in reinvestment projects, including fence installations, roof replacements, utility upgrades, landscaping, and flooring improvements.

The survey is completely anonymous and managed by CEL & Associates. Look for the link in your email on March 3rd and thank you for your participation!

Loose Pets Reminder

We've received increased reports of loose pets in the community. Please keep your pet leashed or in a fenced yard at all times. Repeated violations may result in revoked pet privileges.

Drive Safely in the Community

With spring break approaching, more children and pedestrians will be out and about. Please slow down, stay alert, and drive safely to help keep our community safe!
